Become a Professor and pursue your dream of life-long learning and mentoring.

What is The PhD Project?

The PhD Project is an alliance of foundations, corporations, universities, and professional and academic organizations dedicated to increasing minority representation in the business world. Our expansive network of support helps African-Americans, Hispanic-Americans and Native Americans attain their business Ph.D., become business school professors and serve as role models to attract the next generation of minority business leaders.

Some facts that may influence your decision to pursue a career in business academia:

- Virtually all universities do NOT charge tuition and DO provide stipends for business doctoral students.
- You do NOT need an MBA to enter a doctoral program.
- Academic salaries are VERY attractive.
- Experience and maturity gained in the corporate world are highly valued.

What are the Benefits to You?

- You will have a Channel for your Passions and Interests
- You will experience Maximum Opportunity for Work-Life Balance
- You will have the Rare Opportunity to Mentor a Generation
- You will enjoy the Collegiality of an Academic Environment and Lifestyle
- You will realize excellent Earnings Potential
- You will enjoy a Stimulating, Lifelong Career

Our Results are Impressive:
